Re: StarVox Communications, Inc./Capital Telecommunications, Inc. (CTI)
WC DK No.. 06-127
ITC-T/C-20060616-00317

Dear Ms. Dortch:

The Department of Homeland Security ("DHS") with the concurrence of the Federal Bureau of Investigation ("FBI"), request that the Federal Communications Commission ("Commission") defer action on the applications of StarVox Communications, Inc. and CTI (together "Applicants") to transfer control of domestic and international section 214 authorizations under section 214 of the Communications Act of 1934 held by CTI to StarVox. We ask that the FCC defer these actions until such time as DOJ, FBI and DHS (i) notify the Commission that potential national security, law enforcement, and public safety issues raised by the application have or have not been resolved, and (ii) on that basis, request appropriate action by the Commission. Necessarily, DHS and FBI also request that the Commission remove the application from streamlined processing.

After receiving notice of the applications, DOJ, FBI, and DHS have been in contact with the Applicant to request information related to national security, law enforcement, and public safety concerns. The company has responded to those requests, but DOJ, FBI, and DHS are still analyzing those responses and are not yet in a position to communicate our position to the FCC. DOJ, FBI, and DHS will conduct their review expeditiously and advise the Commission promptly upon its completion.

Thank you for your consideration.

Sincerely,

/s/ STEWART A. BAKER
